Handcraft Peach Melba Vase (shape 463) - marked Handcraft - pattern number 3448 sponged matt cream ground - production era 1930 - 1934 Image courtesy of "Dulcie Agnes Joyce Memorial Collection" Carlton Ware Handcraft VICTORIAN LADY ~ 3451 (circa 1930) "Pattern attributed to Violet Elmer" I was not sure whether this pattern should be included in the Handcraft or the Hand painted list as more examples exist without a Handcraft mark than with. After discussion with the panel I have decided to list it amongst the Handcraft patterns because in style it is Handcraft. It should be noted that nearly every example I have seen of this pattern is unique, no two appear to be the same. This in itself is a very Handcraft trait. C.W. Victorian Lady 15" Charger - pattern 3451 matt white - production era 1930 to 1934 Image courtesy of "The Parnell Collection" Carlton Ware Handcraft Iris ~ 3498 (circa 1931) C.W. Handcraft Clematis Revo Bowl - marked Handcraft - pattern 3525 sponged mustard matt ground - production era 1931 - 1935 Image courtesy of "The Lexi James Collection" C.W. Handcraft Clematis Vase (shape 456) - marked Handcraft - pattern 3545 sponged mustard matt ground - production era 1931 - 1935 Image courtesy of "The Lexi James Collection" There are two pattern number attributed to the Handcraft Clematis Pattern, 3525 and 3545, both of which are shown above. These are very similar, the ground is the same, the only difference I can detect is that flowers on 3545 (the vase above) are darker in colour than those on 3525 (revo bowl two above). I have handled at least 7 examples of from several collections and

after discussion with the curators of these collections I feel confident that this is only variation. Carlton Ware Handcraft NEW DELPHINIUM ~ 3526 (circa 1931) C.W. Carlton Ware Handcraft Chevron ~ 3657 (circa 1932) "Pattern attributed to Violet Elmer" C.W. Handcraft Chevron Vase (shape 457) - marked Handcraft - pattern 3657 production era 1932 - 1936 - sage green lustre ground Image courtesy of "The Lexi James Collection"

I felt the example below was an interesting variation of the Chevron pattern. It is not complete, but I was interested that the trim is gold instead of silver.

C.W. Handcraft Chevron Vase - marked Handcraft - pattern 3657 production era 1932 - 1936 - sage green lustre ground Image courtesy of "Mike Kiernan"

Pattern also comes in pattern number 3671 which is a burnt orange ground. Carlton Ware Handcraft Carre ~ 3658 (circa 1932) C.W. Handcraft Carre Coffee Cup & Saucer - pattern 3658 gloss green ground - production era 1932 to 1936 Image courtesy of "The Parnell Collection" Please take special note of the handle of the cup - it is in the Bathing Belle shape. This is the only example I have ever seen of this shape with a handcraft pattern on it. It really is quite striking. C.W.
