

R.D. Fox Mottoes

Royal Doulton's Fox Mottoes Series was introduced in 1912 and it was in production until 1928. There is only one pattern number set against this series D3567,. This is a very small series with only 3 Mottoes. There are three main scenes, but the old Fox also appears in three poses. If any body can provide me with the photos necessary to build this fact file I would be very grateful. Of course I will give credit to who ever provides these images on the fact file.
