

## W&R Floral Twig ~ 2326 (circa 1919)

"Pattern attributed to Horace Wain"

These are the only example we have ever seen of this pattern. Only the light blue example has a pattern number. On another list pattern number 2326 is attributed to the W&R Lovebirds Pattern, while the floral decoration is similar to Lovebirds, there are no birds on this vase. Floral Twig is my name.
